PREPARATION FOR POTENTIAL FLOODING

We wish to inform you that, based on current conditions, flooding could occur at any time in the coming days. It is essential that you take the necessary measures now to ensure your safety and that of your environment.

To prepare, we ask that you:

- Bring additional supplies**, including non-perishable food, candles, batteries, and any other essential items, to cope with possible service interruptions.

Your cooperation is essential to minimize the impacts of this natural event. We thank you for your vigilance and cooperation.

In case of emergency or if you have any questions, please contact me at (450) 264-2320 or on my cell phone at (450) 370-2899.
